

# 2006 H-2B Legislation Rally

With Special Guest John Meredith, Formerly with ANLA

**Friday, March 24, 2006**

**Stillwater Public Library, 1107 South Duck St.**

Please join us for this important event to kick off the grassroots efforts on this year's H-2B legislation. It's critical in 2006 that our efforts are collaborative and stronger than in the past. We'll be discussing the current bill, giving hints on how to discuss it with your representatives and will schedule visits for you to local House and Senate offices. We need representation from all program employers, especially landscape, hospitality, restaurant, golf and construction industries.

## Schedule of Events

- 11 am Discussion of Issue and Legislation**
- Status of H2B legislation in Congress
  - National H-2B coalition strategy for passage
  - Discussion about meetings with Congressional offices
